

Design Review Criteria for Alarm Yard Signs

Approved December 27, 2013

Only one alarm yard sign is in the front of the home and one in the alleyway is allowed per home.

- Only one sign is allowed in the front planter area, next to the front steps
- Only one is allowed in the back alleyway, next to the pedestrian gate
- Yard sign cannot exceed 10"x10" (inches)
- Sign and pole cannot exceed 2' (feet) in height

See attached for sample photos of approved locations.
