The Gibraltar Industries Post Mount Rural Mailbox is made from galvanized steel for durability. The mailbox should be mounted on a post for stability and is designed in a standard size to accommodate all of your mail. It is finished in a striking white color that is rust resistant and U.S. Postmaster General approved. The mailbox also features an aluminum flag and steel latch for convenient operation.

- Standard sized design with a 20 in. approximate depth provides plenty of room for letters, magazines and other mail
- Heavy duty steel latch allows you to keep the box securely closed
- Constructed of Heavy duty galvanized steel for strength and added weight
- White finish is rust resistant to help withstand the elements
- Designed to be mounted on a post for stability (post not included)
- Fully assembled for immediate installation
- Aluminum flag offers easy operation

MAIL BOSS LOCKING SECURITY MAILBOX

\$199

The Mail Boss security mailbox is not your average locking curbside mailbox. With its heavy-gauge galvanized welded steel construction and stainless steel hinges, the U.S.P.S. Approved MailBoss is a mail fortress! An exclusive patented anti-pry locking mechanism prevents leveraged entry, so unlike other locking mailboxes, the MailBoss can't be easily violated by would-be mail and identity thieves. With the patent-pending Fast-Trak™ mounting plate, you can quickly and easily install your high security mailbox on a MailBoss Mounting Post, an existing post or gang plank.

White

- U.S. Post Master Approved
